PROFESSIONAL SUMMARY

Motivated Full Stack Developer with hands-on experience in the MERN stack, building scalable web applications. Skilled in developing end-to-end solutions, including responsive frontend interfaces, backend APIs, and database management, with a strong focus on solving real-world problems.

PROJECTS

DAYFLOW – HR MANAGEMENT SYSTEM

[GitHub](#)

Next.js 16 | React 19 | Tailwind CSS | Framer Motion | PostgreSQL | Prisma ORM | JWT | bcrypt | Nodemailer

- Developed a full-stack HR Management System with secure JWT authentication and role-based access control for Admin and HR users.
- Implemented employee management, attendance tracking, leave management, payroll processing, notifications and internal messaging modules.
- Built scalable backend APIs using Next.js API Routes with PostgreSQL and Prisma ORM, delivering a responsive UI using Next.js, React, Tailwind CSS, and Framer Motion.

FINANCE TRACKER — PERSONAL FINANCE PLATFORM

[GitHub](#)

React 18 | Node.js | Express.js | MongoDB | Tailwind CSS | JWT | Recharts | Framer Motion

- Built a full-stack personal finance application featuring a real-time dashboard, category-wise budget tracking, transaction CRUD, and an investment portfolio with automatic profit/loss calculation across Stocks, Bonds, Crypto, and Mutual Funds.
- Engineered a secure backend with JWT authentication, bcrypt password hashing, and role-protected REST API routes across four resource domains (Auth, Transactions, Budgets, Investments).
- Implemented interactive Recharts visualisations (income vs. expense trends, category breakdowns) and smooth Framer Motion animations, delivering a fully responsive UI across mobile, tablet, and desktop.

EXPERIENCE

FEELTECH SOLUTION | Full Stack Developer Intern

May 2025 – June 2025 | Hybrid-Ahmedabad, Gujarat

- Developed full-stack web modules integrating React.js, PHP, and MongoDB, delivering responsive user interfaces and scalable backend functionality.
- Designed and optimized RESTful APIs while improving database query performance, resulting in faster application response times.
- Collaborated with the development team to implement new features, resolve bugs, and maintain clean, well-documented code following industry best practices.

CHAROTAR GAS SAHAKARI MANDALI LTD. | Web Designing Intern

May 2021 | Anand, Gujarat
